Village of Stillwater as follows:

A. PURPOSE

This Local Law is to provide for a procedure for the enforcement of payment of delinquent water rents by users of the Stillwater Village water system.

B. INSIDE USERS

1. Inside users are those properties which are located within the Village limits of the Village of Stillwater.
2. Due dates for payments of water rent and added penalties for non-payment shall be established by the Village Board of the Village of Stillwater pursuant to water regulations and rates enacted by resolution.
3. Each year prior to the final Village tax roll, the Village Board of Trustees will transfer unpaid water rents and any penalties resulting therefrom to Village taxes, at which point the rent and penalties will become part of the property tax for such user.

C. OUTSIDE USERS

1. Outside users are those properties receiving water service from the Village of Stillwater water system whose properties are located wholly outside the Village limits of the Village of Stillwater. The term "outside users" does not include those persons or entities with whom the Village has a written contract for water service.
2. Due dates for payments of water rent and added penalties for non-payment shall be established by the Village Board of the Village of Stillwater pursuant to water regulations and rates enacted by resolution.
3. The water service of any outside user whose bill remains unpaid following 90 days from the date of mailing or presentation of such bill shall be subject to immediate termination by the Village. At least 30 days prior to such termination of service, the Village shall provide a notice in writing, delivered by both first class and certified mail, notifying such outside user of the water rent delinquency and the intention of the Village to terminate service as of a certain date. Such notice shall provide to the user the opportunity to be heard at a regular meeting of the Village Board of Trustees, or at a special meeting called for such purpose, prior to the termination of service.

(If additional space is needed, attach pages the same size as this sheet, and number each.)

4. If termination of service occurs as aforesaid, there shall be a reconnection fee of $300.00, payable in advance by the user. The Village also reserves the right to maintain an action in a court of competent jurisdiction to collect the amount of any unpaid charges.

D. SEPARABILITY AND CONFLICT OF OTHER LAWS

If any provision of this local law is judged by any court of competent jurisdiction to be invalid or contrary to law, only the provisions so judged shall be invalidated and all provisions not so found shall remain in full force and effect. Where the provisions of this local law are found to be in conflict with any other provision of law, the more restrictive provision shall apply.
